FOR Hamilton-Wenham SENIORS

AND IMMUNO-COMPROMISED

If you don't have someone picking up supplies for you, we will help you. This is to help you avoid going out to **any store** where you need supplies.

We use a **zero contact system** and wipe down all products with disinfectant before leaving it for you.

HOW:

Write a list and tell the shopper: Item, brand, size, quantity and any other details. Call Mark. The shopper will call you to arrange the time and other details. Volunteers are from Gordon-Conwell Seminary and local churches. They have been trained in safe delivery protocol.

Pay C.O.D. by check, cash or by Paypal or Venmo. Or let the shopper use your credit card.
