

# WENHAM HOUSING AUTHORITY LANGUAGE ACCESS PLAN

## **I. INTRODUCTION**

The Wenham Housing Authority (“WHA”) is committed to ensuring equal access to its programs and services by all residents, regardless of primary language spoken.

Pursuant to [760 CMR 4.02\(1\)\(e\)](#), Massachusetts Local Housing Authorities must adopt and enforce a Language Access Plan (“LAP”) regardless of whether they receive federal funds. DHCD has provided “DHCD LAP Guidance to Program Administering Entities” as an appendix to its Language Access Plan, most recently in 2017.<sup>1</sup>

[Title VI of the Civil Rights Act of 1964](#) (“Title VI”) also requires recipients of federal financial assistance to take reasonable steps to ensure meaningful access to their programs and services by individuals with Limited English Proficiency (“LEP”). Persons who do not speak English as their primary language and who have a limited ability to read, write, or understand English may be considered LEP individuals. Such reasonable steps to ensure meaningful access include language access planning.

On January 22, 2007, the U.S. Department of Housing and Urban Development (“HUD”) issued Final Guidance to recipients of HUD funding concerning compliance with the Title VI prohibition against national origin discrimination affecting LEP individuals, including detailed guidance for language access planning.<sup>2</sup>

Furthermore, HUD’s Final Guidance defines a four-factor self-assessment method which assists agencies receiving HUD funds in determining the extent of their obligations to provide LEP services. DHCD, in its “DHCD LAP Guidance to Program Administering Entities,” has encouraged LHAs to utilize this four-factor self-assessment method regardless of whether they receive HUD funds. Based on the DHCD and HUD guidance, the LHA has completed an LEP four-factor self-assessment (“Attachment A”).

Using the LEP self-assessment as a guide, the WHA has prepared this LAP, which defines the actions to be taken by the WHA to ensure WHA compliance with Title VI and/or DHCD requirements with respect to LEP individuals. The WHA will periodically review and update this LAP in order to ensure continued responsiveness to community needs and compliance with 760 CMR 4.02(1)(e), as well as Title VI and related HUD guidance as applicable.

## **II. GOALS OF THE LANGUAGE ACCESS PLAN**

The goals of the WHA's LAP include:

- To ensure meaningful access to the WHA's housing programs by all eligible individuals regardless of primary language spoken.
- To ensure that all LEP individuals are made aware that the WHA will provide free oral interpretation services to facilitate their contacts with and participation in programs administered by the WHA.
- To provide written translations of vital documents to LEP individuals speaking priority languages.
- To ensure that WHA staff are aware of available language access services and how these services need to be used when serving LEP individuals.
- To provide for periodic review and updating of this LAP and services in accordance with community needs.

### **III. LEP INDIVIDUALS WHO NEED LANGUAGE ASSISTANCE**

See "Attachment A" for data analysis of LEP populations.

### **IV. TYPES OF ASSISTANCE NEEDED BY LEP INDIVIDUALS**

Most contacts between the WHA and LEP individuals involve meetings, written communications and phone calls where information is exchanged. Examples include interactions by applicants with WHA staff during the application process leading up to and including placement in housing, as well as periodic contact between residents and WHA staff related to management, maintenance and lease compliance issues. Oral language assistance services may be needed for these contacts. Oral language assistance service may come in the form of "in-language" communication (a demonstrably qualified bilingual staff member communicating directly in an LEP person's language) or interpretation services. These services may also be necessary to communicate with LEP individuals when written materials are insufficient.

Other contacts involve the exchange and review of printed materials, some of which may be considered "vital documents". HUD's Final Guidance defines vital documents as, "any document that is critical for ensuring meaningful access to the recipients' major activities and programs by beneficiaries generally and LEP individuals specifically". The WHA will strive to provide translation services as necessary and as resources permit for any document considered vital for an applicant's, tenant's, or participant's meaningful program access as provided in section V.B below ("Written Translation").

### **V. LANGUAGE ASSISTANCE TO BE PROVIDED**

To promote equal access to WHA programs and services by LEP individuals, the WHA will implement the following array of Language Access services:

A. Identification of LEP Individuals and Notices

*Use of “I Speak... Language Identification Flashcards”*: To help identify LEP individuals and determine the appropriate Language Access, the WHA will post and make available “I Speak... Language Identification Flashcards” in common areas, on its website, and by request. Applicants and residents can use these guides to indicate their primary language. During the tenant selection screening process, WHA staff will make appropriate arrangements for interpretation services generally; using either a bilingual staff person or a telephone interpretation service.<sup>3</sup>

*Notices of Oral Interpretation Services*: Subject to budget constraints and in consideration of the four-factor self-assessment described on Attachment A, the WHA will provide free access to language assistance for staff contact with LEP individuals. The WHA will prominently post multi-language notices in common areas and on its website which indicate that free language assistance is available upon request (see “Attachment B”). The WHA will also gather data on requests for language assistance by language to inform its four-factor self-assessment.

B. Language Access Measures

*Oral Interpretation - Staff*: When feasible, bilingual WHA staff will be utilized to communicate with LEP individuals in their native languages and to assist them in reviewing WHA materials, answering questions about WHA programs, and responding to WHA forms and information requests. Currently, LHA employs staff members who speak [XXXX].

*Oral Interpretation - Telephone Support*: Subject to budget constraints and in consideration of the four-factor self-assessment described on Attachment A , if qualified bilingual WHA staff are unavailable to communicate with an LEP individual who is requesting assistance, the WHA will use the services of a professional telephone interpretation service, including when an LEP individual uses an “I Speak... Language Identification Flashcard” to signify that they speak a non-English language. When these contacts involve review of WHA forms and procedures, the WHA will schedule the call so that the telephonic interpreter has the opportunity to first review the relevant form or procedure. The WHA will only utilize interpretation services which demonstrate a high degree of training and professionalization among the interpreter staff. The WHA will utilize a service which provides trained and certified interpreters and coverage for a multitude of

---

<sup>3</sup> “I Speak...” Language Identification Flashcards are available in numerous languages from the U.S. Census Bureau: <https://www.lep.gov/sites/lep/files/media/document/2020-02/crcl-i-speak-booklet.pdf>

languages. WHA staff will be trained in how to access this service, which will be available as needed for LEP applicants and residents.

*Oral Interpretation - In Person Assistance:* Subject to budget constraints and in consideration of the four-factor self-assessment described on Attachment A , in limited instances where telephone interpretation services or the use of bilingual WHA staff are determined insufficient to ensure meaningful access, the WHA may provide qualified in-person interpretation services at no cost to the LEP individual through the use of community resources and/or outside organizations or vendors who employ or contract with qualified and trained interpreters. Examples of contacts where in person assistance may be requested includes termination hearings and evictions. Due to the considerable expense often involved in providing in person assistance, unless in-person interpretation is available at low cost through community resources, the WHA will generally strive to use telephonic assistance, as resources permit. If the LEP individual does not wish to use the free interpretation services offered by the WHA, the LEP individual may provide their own qualified interpreters at their own expense.

*Oral Interpretation - Use of Other Interpreters not provided by the WHA:* As noted above, LEP individuals will be informed that the WHA will provide them with free access to oral interpretation services via bilingual WHA staff or qualified, trained contractors as needed. If the LEP individual requests their own qualified, trained interpreter this will be allowed at the individual's own expense. Use of family members and friends as interpreters is allowed. Staff will be advised to be alert to the potential for any conflict of interest or competency issue that may arise from the involvement of family or friends.

*Written Translation:* The WHA will strive to translate documents that are vital to meaningful program access as resources permit and in consideration of the four-factor-self-assessment referenced in Attachment A and applicable HUD guidance.<sup>4</sup> Priority languages for translation are identified in Attachment A. Vital documents are those that are critical for ensuring meaningful access to the WHA's major activities and programs by beneficiaries generally and LEP persons specifically. Meaningful program access generally requires awareness of, and ability to participate in, procedures for applying to the program, for meeting the requirements of the program, and for enjoying important benefits of the program. Meaningful program access also requires awareness of rights and services; otherwise, LEP persons may effectively be denied such access.

---

<sup>4</sup> HUD guidance indicates that written translation of vital documents for each eligible LEP language group that constitute more than 5% (if > 50) of the eligible population in the market area or among current beneficiaries, or 1,000 of such persons, whichever is less, will constitute strong evidence that reasonable steps have been taken to address written translation needs.

Written or “vital documents” include:

- Application-related documents
  - Lease-related documents
  - Rent-redetermination related documents
  - Consent and complaint forms
  - Written standard notices of rights, denial, loss, or decreases in benefits or services, and other notices relating to hearings/conferences/grievances
  - Notice to quit and eviction-related documents
- 
- *Non-Vital or Non-translated Written documents:* For documents not considered “vital documents” or not immediately translated, a notice must be placed on the document which states in the most frequently encountered languages identified under the administering entity’s LAP, “This is an important document. Please contact Wenham Housing Authority at (978) 468-1532 for free language assistance” (see “Attachment C”).
  - *Legal documents:* In the case of legally binding documents such as a lease, although a translated copy of the document should be provided, the English version of the document is the one that is legally binding and considered the official document. The translated document is to be used as a reference tool only. A brief statement will be included on these documents in the language which the document has been translated into which states “This document is for informational purposes only. The English version of this document is considered the legally binding document” (see “Attachment D”).
  - *Translation of written documents:* For WHA program documents, including those that are highly individualized (such as ineligibility, termination or appeal notices), the LHA will, to the extent feasible within administrative and fiscal limits, translate these documents based on an assessment utilizing the four-factors discussed above.
  - *Note on timing-related rights:* A person with LEP will not be penalized or denied meaningful and effective access because of an administering entity’s inability to provide timely translation or interpretation services. This would include allowing additional time for translation and/or interpretation without impacting an applicant’s position on the WHA waitlist.
  - *Review and updating:* The WHA will periodically review and update the list of vital documents to reflect those documents which are considered vital to applicants and/or residents and will also track existing translated documents that need to be updated for consistency with updated English-language documents.

### C. Staff Training and Coordination

The WHA will provide training on LEP awareness and required assistance actions under the Language Access Plan for employees. This will include:

*Training:* The WHA will make reasonable efforts to avail its staff and employees of any available trainings on Language Access. WHA employees and staff who regularly interact with WHA clients will be encouraged to complete periodic refresher trainings on Language Access.

*LEP Coordinator:* The WHA has designated the Executive Director as the LEP Coordinator, responsible for ongoing updating of LEP analysis, addressing staff and public questions and issue related to LEP matters, and providing ongoing LEP training.

#### D. Providing Notice to LEP Individuals

To ensure that LEP individuals are aware of the language services available to them, the WHA will post LEP notices in multiple languages in the WHA's common areas, on the WHA's website, and will make LEP notices available upon request.

#### E. Monitoring and updating the Language Access Plan

The LAP will be reviewed and updated periodically as needed. The review will assess:

- Whether there have been any significant changes in the composition or language needs of the LEP-population in Essex County and/or based on WHA data;
- A review to determine if additional vital documents require translation;
- A review of any issues or problems related to serving LEP individuals which may have emerged; and
- Identification of any recommended actions to provide more responsive and effective language services.

**Attachment A: WHA’s Four-Factor Self-Assessment Analysis Regarding Limited English Proficiency (LEP) Individuals**

**1. Assessing the number and proportion of LEP individuals served or encountered in the eligible service population.**

Data estimates are based on the following data sources:

(a). Census data at the County level (for estimating potential LEP applicants encountered by the WHA):

See data graph (attached) compiled by **U.S. Census Bureau** of citizens of **Essex** County aged 5 years and over for which English is spoken “less than very well.”

**Languages spoken by 5% more of this population were as follows:**

**Spanish        6.57%**

(b). Municipal Data [*For use only where the % of LEP population speaking the language in the City/Town is greater than the percentage for the County*]:

See data graph (attached) compiled by **U.S. Census Bureau** of citizens of **Wenham** City/town aged 5 years and over for which English is spoken “less than very well.”

**Languages spoken by 5% more of this population were as follows:**

(c). Applicant data (e.g., data on CHAMP application languages for estimating applicant LEP population served):

**Spanish        2%**

(d). Tenant data (e.g., data on primary languages and communication preferences by language for estimating tenant LEP population served):

**English        100%**

(e). Other (e.g., data on telephonic or in-person interpretation usage by language, data from surveying other organizations serving LEP persons in the LHA's region)

**We have not received any requests, telephonic or in-person interpretation. As a result there is no data from surveying other organizations serving LEP person in the WHA region.**

Based on the above data sources, the following languages are priority languages for translation, in descending order of priority for translation [*Spanish must be included*]:

**Spanish**

**2. Assessing the frequency with which LEP individuals come into contact with the program, activity, or service.**

Any interaction involves application/eligibility. However, this is very rare.

**3. Assessing the nature and importance of the program, activity, or service provided by the program.**

The area of greatest importance would be during the public housing application process.

**4. Assessing the resources (e.g., translation services, bilingual staff, community resources, etc.) available to the LHA and costs.**

There is currently no staff that is bilingual. Availability in the community is also somewhat limited. Translation and interpretation services are primarily conducted through the WHA's provider, Language Line Solutions which is the most cost-effective for the WHA.

### **Identifying Need for Language Assistance:**

Persons with LEP will often be able to convey, including through third parties, their need for language assistance, although in some instances one or more of the following steps may be necessary to identify the language and the nature of the assistance sought.

- 1) Utilize “*I-Speak cards*” where walk-ins occur to identify what language the person reads or speaks. I-Speak cards are available at the following website: <https://www.lep.gov/sites/lep/files/media/document/2020-02/crcl-i-speak-booklet.pdf>.
- 2) Consult available *WHA staff* who can provide initial support in identifying languages and assistance needed by persons with LEP that come into direct contact with the WHA in person, by telephone, or in writing.
- 4) Utilize WHA’s over-the-phone telephonic services account with **Language Line Solutions** (see below for further information).
- 5) Other: Consult with agencies assisting the applicant or resident.

*Note:* Persons with LEP must not be turned away or told that they must secure their own interpreter or translator. Language assistance through interpreter or translator services as appropriate must be sought as soon as possible and timing related rights must be preserved while such services are being sought.

### **Protocols and Procedures for Providing Oral Language Assistance (Interpretation):**

*Select appropriate method for providing interpretation* on a case-by-case basis depending on the nature and importance of the communication, including whether in-person interpretation is necessary for providing meaningful access to programs and services. The following are interpreter resources for consideration:

Currently the only source of for language interpretation is through Language Line Solutions. This service is to be used for over-the-phone interpretation.

- b. *Community/other resources* (e.g., non-profit assistance or inter-agency partnerships)

Action, Inc. may be able to provide bilingual services for in-person appointments. Contact the WHA's Executive Director at 978-468-1532 to schedule access.

- c. Currently, **Language Line Solutions** is to be used for over-the-phone interpretation. Useful tips for using interpreter services and further protocols for telephonic interpretation are provided below.
- d. *In-Person Assistance*: In limited instances where in-person assistance is necessary to ensure meaningful access and use of bilingual WHA staff is determined to be insufficient or inappropriate (e.g., due to a conflict of interest), the WHA may provide qualified in-person interpretation services at no cost to the LEP individual either through local community organizations Action, Inc. or through a the WHA's vendor Language Line Solutions. In-person assistance may be utilized by contacting the Executive Director at 978-468-1532.

Staff should utilize the process for identifying need for language assistance detailed above and contact the WHA's Executive Director to determine if an in-person language assistance accommodation is required.

### **Protocols for Using Over-the-Phone Interpretation:**

- Call 1-888-808-9008 and enter PIN 65685540
- At the prompt, state the language you need
- You will be asked if you need the interpreter to dial a third-party number for you. Answering yes and you will be connected to an agent. Answering no and you will go directly to the professional interpreter.

### **Additional Protocols for Administrative Staff**

- 1) Utilize staff resources or the service to:
  - a. Determine the LEP caller's question or issue.
  - b. Obtain the LEP caller's name, contact information, and best times when he or she can be reached.
  - c. Inform the LEP caller that the appropriate staff person will contact the caller.
- 2) After the call ends, let the appropriate staff person that would handle the caller's type of question/issue know that the caller requires follow-up with language interpretation and specify for the staff person the information

corresponding to paragraph (1) (a)-(c) above as well as whether the issue appears to be time sensitive.

- 3) Assist the staff person to utilize staff resources or over-the-phone interpretation to follow-up with the LEP caller.

Note: the following are useful tips for utilizing over-the-phone interpreter services:

- Explain to the interpreter the purpose of the communication (i.e., assistance filling out a housing application). It is also helpful, particularly for more complex situations, to give the interpreter a brief overview and description of the information to be conveyed.
- Provide brief explanations of technical terms of art that may come up during the communication, such as eligibility, income limits, recertification, lease violation, etc.
- Speak as if talking directly with the person with LEP and not with the interpreter. It may be helpful to check in with the interpreter to make sure he/she is understanding what you are saying. If in person, face the person with LEP and look at him/her and not the interpreter.
- Speak in short sentences and enunciate words.
- Express one idea at a time and allow the information to be interpreted prior to continuing.
- Avoid using acronyms, such as HUD, DHCD, etc.
- Inform the interpreter when you are no longer in need of his/her services.

### **Protocols and Procedures for Providing Written Language Assistance (Translation):**

#### 1) Translation of vital documents:

- a. WHA staff

Currently the WHA does not have any staff that is able to provide written language assistance.

- b. *Community/other resources* (e.g., non-profit assistance or inter-agency partnerships)

The WHA does not have any other resources other than what has been discussed.

- c. Currently, Language Line Solutions, or other approved vendor as noted above is to be used for written translation. Requests for written translation services should be submitted to the WHA's Executive Director.

- 2) *To the extent important documents have yet to be translated, free language assistance terminology translated in other languages must be inserted with the document (see “Attachment C”).*
- 3) *For legally binding documents, such as a lease, the translation must be accompanied by a statement in the language of the translated document indicating that the translated document is for informational purposes only and that the English version is considered the legally binding document (see “Attachment D”).*
